

Speaking Topics

Act like a Leader – Our method that leverages what people are naturally good at - mimicry, stories, and imagining - to improve communications, build better teams, and learn leadership skills.

Undo It- We discuss the unintended consequences of popular management methods, including performance ratings, measurements, and sorting talent.

Or invite Karen to discuss one of her books:

- I'm Sorry I Broke your Company
When Management Consultants are the Problem, Not the Solution or
- Who Moved My Holy Hand Grenade?
Everything I Needed to Learn in Business, I Learned from Monty Python and the Holy Grail
